Statement by Pakistan

(March 14, 2019)

Mr. President,

Pakistan warmly welcomes the delegation of Monaco and thanks them for presenting an update on the accepted recommendations.

We commend the Government of Monaco for accepting majority of the recommendations, including ours, which were made during the UPR Working Group Session in November. We also welcome the steps taken by Government of Monaco for empowerment of women and for ensuring access by all children to health care services.

We wish Monaco every success in the implementation of accepted recommendations.

In conclusion, my delegation requests the council to adopt UPR outcome report of Monaco with consensus.

I thank you
